Home About me Experience Projects

Placed I worked at

These are the experiences I am most proud of

Google

g Google

I am currently working at Google and am a part of a wonderful team that has been working on Pixel phones.

f Facebook

I interned at Facebook from May'2016 to August'2016 and had the wonderful opportunity to work on the news-feed.

Microsoft

I interned at Microsoft from May'2015 to August'2015 and was actively working on the azure team.

Home About me Experience Projects

Projects

Sudoku

Enables a user to figure out all possible solutions of a given sudoku grid.

Touristy

This project helps the users to figure the best places to visit in a whichever location they wish to using crowd sourced data.

Classroom

Allows users to interact with their teachers and fellow classmates on a single platform.
